## Enclosure

The Reliable Controls<sup>®</sup> equipment enclosures provide an economical and professional looking solution to protect your controls installation.

The Reliable Controls<sup>®</sup> equipment enclosures are available in four sizes. Each enclosure ships complete with painted door, key lock, and logo decal. The ENC-76 x 101 is a large, aluminum, CSA-approved enclosure that accommodates 1 MACH-Global<sup>™</sup> controller and 8 expansion cards. The ENC-40 x 76 is a medium-large-sized, steel, CSA-approved enclosure designed to accommodate 1 MACH-Global<sup>™</sup> controller and 4 expansion cards or 4 MACH1<sup>™</sup> controllers. The ENC-40 x 30 a medium-small, steel, CSA-approved NEMA type 1 enclosure designed to accommodate 2 MACH<sup>™</sup> controllers or 4 MACH-Zone<sup>™</sup> controllers. The ENC-30 x 30 is a small, steel, CSA approved enclosure designed to accommodate a single MACH1<sup>™</sup> controller.
