

Reliable Controls appoints Danielle Tadman as Human Resources Manager

Victoria, Canada—Reliable Controls is pleased to announce the promotion of [Danielle Tadman](#) to Human Resources Manager. In her new role, Danielle will lead the company's HR initiatives and continue building a supportive, people-first culture that empowers every team member.

Danielle joined [Reliable Controls](#) in February 2023 as a Talent Acquisition Specialist, quickly advancing to Senior Talent Acquisition Specialist. In these roles, she played a key part in strengthening talent acquisition strategies, enhancing the candidate experience, and representing Reliable Controls at industry events—including a recent career fair in Edmonton alongside Vince Palmer, Executive Vice President, Operations.

Before joining Reliable Controls, Danielle held recruitment and HR leadership roles with Penta Search Group, Vancouver Coastal Health, and QuadReal Property Group, where she developed expertise in talent acquisition, HR operations, and employer branding across multiple industries.

"Stepping into this role honestly feels like such a full-circle moment," says Danielle. "I'm so proud to be part of a company that genuinely cares about its people, and I'm excited to help shape a culture where everyone feels seen, valued, and supported. I'm looking forward to helping HR become a trusted partner in how we scale, adding value through thoughtful processes, supporting our people, and strengthening the incredible leadership we already have in place."

With her experience and passion for developing high-performing, inclusive teams, Danielle will help drive the company's goal to create a workplace where people and technology thrive together.

Reliable Controls is a worldwide leader in building automation and controls, with over 200 factory-certified partners in more than 40 countries and a [LEED Platinum-](#) and [ISO-certified](#) corporate office and manufacturing facility in Victoria, Canada.
