Reliable Controls appoints Ben Colborne as regional sales manager to Eastern Canada

Victoria, BC, Canada – Reliable Controls is pleased to announce Ben Colborne as its new regional sales manager for Eastern Canada.

Ben's extensive knowledge of the service side of the industry will be a tremendous asset to Reliable Controls Authorized Dealers and customers in Eastern Canada.

"I am very excited for the opportunity to join the team at Reliable Controls. I look forward to meeting everyone and supporting our customers in Eastern Canada," says Ben.

Ben brings over 22 years of experience in the building controls industry through work with Convergent Technologies, Johnson Controls, and Siemens as an account executive, service account engineer, and service technician.

Ben and his family live in Toronto but enjoy weekends and holidays at their cottage on the lake in Minden, Ontario.

Reliable Controls is a worldwide leader in building automation and controls, with over 200 factory-certified partners in more than 40 countries and a LEED Platinum-certified corporate office and manufacturing facility in Victoria, Canada.
