Reliable Controls extends RoHS 2 compliance

Victoria, BC, Canada – Reliable Controls is pleased to extend the list of products we manufacture that comply with the Recast RoHS 2 Directive 2011/65/EU. RoHS stands for Restriction of Hazardous Substances and restricts the use of certain hazardous materials in electrical and electronics products.

In 2017 we announced RoHS 2 compliance for 10 core controller models. Effective today, this compliance extends to 14 Reliable Controls products:

- MACH-Pro1™
- MACH-Pro2™
- MACH-ProAir™
- MACH-ProCom™
- MACH-ProPoint™
- MACH-ProLight™
- MACH-ProSys™
- MACH-ProView™
- MACH-ProWebCom™
- MACH-ProWebSys™
- MACH-ProZone™
- SMART-Net™ Relay
- SMART-Sensor™
- SPACE-Sensor™ Temperature

As a manufacturer of sustainable building controls, Reliable Controls takes an active role in reducing our impact on the environment.
