Reliable Controls Opens Training Center in Singapore

Victoria, BC, Canada – Reliable Controls Corporation is pleased to announce the official opening of the company's new, operational office and training center in Singapore.

Jacob Sng, Regional Sales Manager Southeast Asia, and Vivek Shrivastava, Application Engineer Asia Pacific, moved their operations into this new space, and two training courses have already been successfully conducted.

The space consists of a small waiting area, a kitchen, washroom, an office for three staff, and a training area for seven students and an instructor. Located at *81 UBI AVENUE 4 #08-12 UB.ONE, SINGAPORE 408830*, the new

training facility is within walking distance to the Tai Seng Station (CC11) on the MRT Circle Line (orange) and conveniently located in close proximity to a variety of food courts.

Reliable Controls is delighted to now have a base of operations in this part of the world, with expectations to expand the Reliable Controls Authorized Dealer network across Asia Pacific.
